Dear Mr West,

The Governors of Clive CE Primary School received a copy of a letter to Shropshire Council dated 16th December 2019 from Berrys, agents for the Sansaw Estate. This letter offered to make the adjoining site to the school (1 Hilltop which is owned by the estate) available to the school for educational purposes as part of the potential development of Site CLV010 in the Clive Local Plan Review.

The offer of this site was initially considered by the Futures Committee of the Governors. The Futures Committee have set out in their report to the Governors Meeting on the 12th February 2020 details of the current and futures needs of the School. The report accepted that the acquisition of this adjoining site is critical to enabling the Governors to address the essential improvements needed in the existing built environment of the school and to provide capacity for future increases in school numbers.

A copy of the Futures Committee report to the Governors has been included with this letter.

The Governors Meeting on 12th February agreed the recommendations set out in the report to accept the offer of the site, subject to agreeing the detailed terms and conditions for the transfer of the site to the school.

Yours sincerely,
