- Village Hall Committee – Annual report

Chairman Paul Nicholson gave an [annual report for the Village Hall Committee](#), which will be published as an appendix to mins.

He added that closure dates for the renovations were not certain at present, and the Village Hall Committee (VHC) are taking bookings until mid-July.

The Parish Council Chairman thanked Paul Nicholson for the report and emphasised the high demand for the Village Hall events e.g. coffee mornings, which are a great opportunity for bringing people together. The VHC Chairman stated that coffee mornings try to cater to different demographics in the parish, by opening early for school run, etc., so it is not just one group making use of these events.

There were some questions about estimates for renovation project. This was originally around £120k+VAT, but the VHC are now working with their preferred builder and costs are approx. £100k+VAT, including a little leeway if there are some small increases in prices. In terms of the Contributing Third Party Agreement that the Parish Council needs to sign to release the Veolia grant to the VHC, this may not arrive until end June/beginning July.

The Parish Council Chairman congratulated the VHC again for securing the Veolia grant, and wished them all the best for the renovation project.

- Reports from other local bodies.

No other reports were received.

It was **AGREED** to bring forward item P6/22 Jubilee.

P6/22. Platinum Jubilee activities

Paul Nicholson from the VHC gave an update on Jubilee activities in the Clive and Grinshill parish: Info has been shared in the local newsletter which has been delivered early to both parishes so the info was available before the Jubilee bank holiday. There is a 4-day package of exciting community activities across both villages, including a beacon on Thurs, followed by a celebratory drink at Clive Hub, and Fun Day on Friday at Acton Reynolds Cricket Club, with sports, games, softball cricket and races, plus bar, bbq, music, and a fireworks display. Saturday there will be a trail of buildings in Clive and Grinshill, and Sunday there will be a Thanksgiving service at Clive All Saints Church followed by children's treasure hunt and Church tower tour, followed by a picnic on Renshaw's Field. Hopefully the weather stays good for the weekend.

The Council Chairman thanked Paul Nicholson again for taking the reins with all the Jubilee preparations.
